

**Addendum to Minutes on Special SLBC with regards to the flash-flood in the State of Sikkim held on October 18, 2023**

*(This will form part of original Minutes on Special SLBC with regards to the flash-flood in the State of Sikkim held on October 18, 2023).*

**Additional Relief Measures to Hotels Industries and Tours & Travels Industries for the state of Sikkim:**

1. Moratorium period of three months shall be extended to all loans to Hotel Industries and Tours & Travels Industries. The same will be reviewed after three months and respective banks may extend it for a further period of not more than three months depending upon their commercial judgement. Further, the tenure of the repayment of the loan will also be extended accordingly.
2. Since these loans are affected indirectly by situation arising from flash floods, issuance of Certificate by District Collectors/ District Magistrates will not be a pre-requisite for availing moratorium on loan repayment.
